Introduction

This book is an attempt to bring our focus on the true and core essence of learning from the epic 'Mahabharat' with respect to 'Vidur Niti'.

We come across a lot of difference of opinions when we try to learn from 'Mahabharat' and so we fail to understand the true essence of the same.

In this book we will focus only on most important areas of learning from 'Mahabharat' with respect to 'Vidur Niti' to understand the core message behind the same in just '2 Pages'.

I have already written my view on 'Bhagvad Gita' in just a page in one of my earlier books. This time I have selected 'Vidur Niti', again a very important PART of the epic 'Mahabharat'.

The views mentioned in this book are neither influenced from any religious beliefs nor based on direct reference to any particular God.

PLEASE READ IT ONLY AS A MANAGEMENT BOOK and not as a direct comment on any religion or God or anything and everything that is directly and/or indirectly linked to various literatures for interpretation of 'Mahabharat' and/or 'Vidur Niti' and/or for that matter anything which may even directly and/or indirectly link to anyone's religious beliefs etc.

This book is a sincere and honest attempt to add maximum value and meaning to our current form of material existence as a human being, in the minimum possible investment of our time. It is a small contribution from my end as compared to the entire galaxy of knowledge that can be explored by us.

If we get clarity in the universal principles of 'Life Management' then we can easily build on it, even by referring to other literatures available on 'Mahabharat / Vidur Niti' and/or from other books whether linked to any religion or not or by any other mode, which is related to life management based on spiritual intelligence, as one may believe into or choose to refer.

As we all say 'Learning is a continuous and never ending process if we try to learn with an Open Mind'. So let's stick to what we all say!

Here the methodology which we will follow is that to discuss a few details of Mahabharat and then to quote the original 'Sanskrit' verses by Vidur and try to learn the spiritual management philosophy from the same.

MAHABHARAT: Learning Management from 'Vidur Niti'

'MAHABHARAT' is a very huge and one of the most respected holy epics.

However, the most relevant and fundamental characters of it, as per my opinion, from management learning point of view are Shri Krishna and three families of the sons of Ved Vyas, the author of Mahabharat himself, as below:

- Pandu, the father of Pandavas.
- Dhritrastra, the father of Kauravas.
- Vidur, the one who is popularly known for 'Vidur Niti'

Vidur Niti

Vidur gave consultancy to his brother Dhritrastra about his views specific to the war between Pandavas and Kauravas and also about life as a whole, which is popularly known as 'Vidur Niti'. Hence before we start learning FEW of the most valuable teachings by Vidur, let's try to understand the management learning set-up of Mahabharat, looking at its FEW details as below:

MAHABHARAT

Basic Understanding:

Name	Represents
Ved Vyas	The Spiritual Management Guru. The one who teaches the truth of life
Shri Krishna	The Mind. Mind connects our soul to the body through brain

The Family of Pandu:

Name	Represents
Pandu	The Positive Intelligence Quotient of brain
Kunti / Madri	The Positive Emotional Quotient of brain
(Five) Pandavas	Our five Senses Viz. touch, taste, smell, sight and hearing

The Family of Dhritrastra:

Name	Represents
Dhritrastra	He was blind i.e. Misguided Negative Intelligence Quotient of brain
Gandhari	She blindfolds herself i.e. Biased Negative Emotional Quotient of brain
(Hundred) Kauravas	Material Desires. They are never ending, aimed at senses gratification

Important Aspects of the Battle between Pandavas and Kauravas:

Kuruksheetra	Our current form of life as a Human being having five senses with mind
Victory of Pandavas	Liberation of Soul i.e. Salvation/Moksha/Nirvana. It means our freedom from material lives on material planets Viz. Earth, Heaven and Hell

Learning Management from VIDUR NITI - The Spiritual Quotient of Brain (SQ)

The Spiritual Intelligence (SI)

ARTHA MAHAANTAM - ASAADHYA VIDYAM - AISHWARYAM - EV VAA;
VICHARTYA-SAMUNNADWO YAH SA PANDIT UCHYATE:

The one, who being very wealthy, powerful, learned and famous; does not feel ego and maintains humbleness, is a holy soul.

TRIVIDHAM NARAKASYA DWARAM NASHANAM-AATMAN; KAM KRODH TATHA
LOBHAM:

Three major things which lead us i.e. the soul, to Hell are: Lust, Anger and Greed.

IRSHYAA-GRUNI NA-SANTUSTAHA KRODH-NO NITYA-SAKIT; PARAM-BHAGYA-
UPJIVI CHA SADETE NITYA-DUHU KHITA:

The one, who has six major negative qualities Viz. jealousy, ego, greed, anger, suspicion and laziness, spends a life full of sorrow and dissatisfaction.

DUKHAM KALE SAHATE MAHATMA DHURANDHAR-STASYA JITA SAPTNA:

The one who faces adversities with bravery is a super soul, who finally wins.

CHAKSHUSHA MANSA VACHA KARMANA CHA CHATUR-VIDHAM; PRASADAYATI
YO LOKAM TAM LOKONU-PRASIDATI:

The one; who's vision, thoughts, speech and actions aim at serving all forms of lives across the globe, in a selfless state of mind is the real leader who is admired by the world at large.

ANASHRITA DAN-PUNYAM VED-PUNYAM-NA-AASHRITA; RAAG-DWESH-
VINIMURKTA VICHARANTIHA MOKSHIN:

The one; who donates to serve others in a selfless state of mind; has no intention of generating 'Positive Karmas (Deeds)' out of it to enjoy life in Heaven so also the one who keeps control over Attachments out of deception and greed and Aversions out of anger and ego is a super soul.

Such holy soul continues to manage the material aspects of life, but in a detached way to lead ahead towards spiritual growth; who then finally achieves Salvation / Moksha / Nirvana i.e. permanent liberation of the soul from the slavery of temporary forms of material lives on various material planets Viz. Earth, Heaven and Hell.

SULABHAHA PURUSHA RAJANSA-TATAM PRIYA VADINA; APRIYASYA TU
PATTYASYA VAKTA SHROTA CHA DURLABHA:

It's very easy to get those who misguide others by flattering upon the false knowledge about life. However it's difficult to get one who may sound difficult to listen, but who is actually sharing the real truth of life for well-being of all forms of lives across the universe, forever.

Thank You

I have tried to throw some light on a few selected Management teachings from 'Vidur Niti' from the great epic 'Mahabharat' in just '2 pages' but ensuring that the best of it is shared to benefit the world at large in minimum possible investment of our time!
